

SPORTS MEDICINE, INC.

Policy: TENS/NMES Unit Use and Rental

TENS units may be used for pain control for many musculoskeletal and post-operative conditions.

NMES units may be used for muscular re=education where there is atrophy or for management of spasms.

OPT offers a rental program where patients may rent a TENS or NMES unit for \$10/week and \$10/per package of 4 electrodes. See attached rental agreement for details.
