

SPORTS MEDICINE, INC.

Procedure: Records – Viewing or Copying

The patient requests a viewing. The patient signs a waiver/request form and will be informed when the chart can be obtained. A reasonable effort to retrieve and transfer the chart will be made at no charge.

If the patient requests a copy of the chart there will be a charge for the copying and handling.

Sharing of patient's records can be done with a signed request/approval of the patient and within the federal/state laws.
